# Terms & Conditions

These Terms & Conditions supercede the Terms & Conditions printed in the 2007-2009 Africa Brochure.

## Reservations & Payments

An advance payment of \$500.00 per person is due within 7 days of confirmation of your arrangements. Final payment is due 60 days prior to departure. If you book within 60 days of departure, the entire cost of your tour is due upon confirmation of your arrangements. Final documents are generally sent between 14-21 days prior to departure, provided full payment has been received.

## Late Bookings & Changes

If you book within 60 days of departure, a nonrefundable "rush fee" of \$50.00 per person will be assessed. Once your tour is confirmed, any changes you make 60 days or more prior to departure, are subject to a \$50.00 per person change fee. Changes made at 44 days or less before departure will be assessed actual penalties imposed on us by our suppliers, plus a \$100.00 per person change fee.

## Cancellations

Cancellations received 60 days or more prior to departure will be subject to a \$250.00 per person administrative fee plus any fees imposed by suppliers; cancellations received 59-45 days prior to departure forfeit 25% of the total tour cost plus any excess fees imposed by suppliers; cancellations between 44-30 days prior to departure forfeit 50% of the total tour cost plus any excess fees imposed by suppliers; cancellations received 29-16 days prior to departure forfeit 75% of the total tour cost plus any excess fees imposed by suppliers; cancellations 15 days or less prior to departure will forfeit 100% of the tour cost. If you cancel any portion of the tour while in progress, there is no refund for unused services. We strongly recommend UTG's Trip Protection coverage to protect your vacation investment.

## A Word About Airfares

The airfares used to create the tour prices are special airfares which may not be combined with any other promotional offers and are subject to change without notice. During certain peak periods the class of service required for these fares may not be available. In this event, we will offer you the best possible alternative routing or fare. Any changes made to airline tickets within 45 days of departure will incur a minimum of a \$150.00 fee, and may result in a higher airfare. Airline schedules change from time to time. Any additional costs incurred by schedule changes are the responsibility of the passenger.

## A Word about Single Supplements

Published per person fares are applicable only when 2 or more persons travel together in the same party. If you are traveling alone, single supplements may apply. Details are available upon request.

## Included in Tour Prices

Air-inclusive prices include round-trip economy airfare from New York, but exclude applicable US taxes, international departure taxes and fuel surcharges. (Affordable add-ons are available from most major US cities.) Land only prices do not include internal airfares unless specifically mentioned in the applicable price supplement. Accommodations listed in the itinerary may not always be available and we reserve the right to substitute comparable accommodations. The included meals are specified in each itinerary with the notation "BLD" (B=breakfast, L=lunch, D=dinner) and are table d'hôte or buffet. Prices include all entry and park fees, hotel service charges and sightseeing/game drives as specified in each individual itinerary.

## Not Included in Tour Prices

Fees for obtaining passports, visas, inoculations; airfare not specifically mentioned as included; excess baggage fees, trip protection coverage, international airport departure taxes that may not be collected in advance, optional tours, any items of a personal nature such as beverages, laundry, phone calls, cables, or room service; excess mileage carried out at the request of the passenger or any other item not specifically listed in the Tour Features section.

## Tour Prices

Prices for programs in the 2007-2009 Africa brochure may be updated from time to time. We reserve the right to alter prices should inflation, cost of services, fuel, labor or material, or exchange rates fluctuate. Important: UTG reserves the right to accept or decline any passenger on any trip, before or during the trip should such person's mental or physical condition impede the operation of the tour or the rights, welfare or enjoyment of other tour passengers. In this case, a refund of the unused land services is the limit of UTG's liability to the passenger removed. We also reserve the right to alter or modify the itinerary of any tour if schedules, security matters and/or events beyond our control make such alteration necessary.

## Special Tour Conditions:

**Gorilla Tracking:** All Gorilla tracking bookings require an additional, nonrefundable handling fee of \$50.00 per person to request permit availability. Once permits are obtained, they must be paid in full and are nonrefundable. **Mt. Kilimanjaro Climb:** An additional, nonrefundable fee of \$50.00 is required to process any Mt. Kilimanjaro climb request.

All baggage is carried at the passenger's own risk, and United Travel Group, Inc., reserves the right to exclude certain baggage at its discretion. United Travel Group, Inc. reserves the right to decline to accept or retain any tour participant. In this case a full refund of unused services will be made to the passenger removed, without any further obligation or responsibility. United Travel Group, Inc. accepts no liability or responsibility for costs incurred as a result of passenger failing to obtain

the correct travel documents.
